

GREENCOAT®

COLORFUL STEEL

PARTNER

Nordic quality steel for harsh weather and greener living

Certificate of GreenCoat® Partnership Program

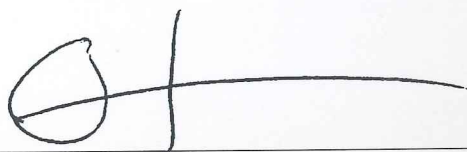

This certifies that

Janla Oy

has been appointed to the GreenCoat® Partnership Program.
By using genuine GreenCoat® color coated steel in your products
and upholding the highest technical qualities and standards,
you as a member have the right to display the GreenCoat®
logo in your marketing.

Joining the GreenCoat® Partnership Program also strongly underlines
a focus on sustainability and a dedication to increasing awareness
surrounding GreenCoat® sustainable products.
